

P. Allen Smith Platinum Collection™ Signage

Passionate and casual gardeners alike look to P. Allen Smith for inspiration and ideas. They trust his recommendations and his endorsements of Proven Winners varieties. They are seeing these varieties on his television shows as well as his appearances on NBC's "Today Show". They are going to be looking for these varieties in YOUR garden center. We have created signage for all 35 items in his Platinum Collection to help you identify them.

P. Allen Smith Platinum Collection™
