

Hosta 'Empress Wu' PP20774

The largest hosta in commerce! This fabulous giant hosta will make an outstanding focal point and topic of conversation in your shade garden. Typically, it takes about 5 years to reach maturity in the landscape.

The huge dark green, deeply veined leaves of good substance can measure more than 1½ feet wide and long! It has a strongly upright habit, forming a very tall and wide clump. Pale reddish violet flowers appear just above the foliage in early to midsummer.
