

Hosta 'Goodness Gracious' PPAF

If you like Hosta 'Satisfaction', you will love this new sport with much showier, wider margins. 'Goodness Gracious' PPAF has all of the great qualities of its parent, including large, heart-shaped leaves of good substance and a wide spreading habit. However, its deeply veined leaves are dark green with very wide, yellow margins. Light lavender flowers sit just above the foliage in early to midsummer.

This stunning large hosta makes a fabulous specimen or focal point in the shade garden. Its brilliant coloring makes it a shining beacon in the shade garden.
